1 Sam. 22:1–2 ... 1 Chron. 12:22–38

“David ... escaped to the cave of Adullam and when his brethren and all his father’s house heard it, they went down there to him. And everyone that was in distress and everyone that was in debt and every one that was discontented, gathered themselves to him, and he became a captain over them ... about 400 men.” ... At [a later time] day by day there came to David [people from every tribe] to help him until it was a great host, like the host of God. ... [290,422 trained and experienced soldiers] All these men of war ... came with a perfect heart to Hebron to make David king over all Israel.”

Rom. 1:18–21, 32 the *sensus divinitatis*

“The wrath of God is revealed from heaven against [those] who hold the truth in unrighteousness because that which may be known of God is manifest in them, for God has showed it to them. For the invisible things [GK: aorata] of Him from the creation of the world are clearly seen [GK: kathaporata] by the things that are made, even His eternal power and Godhead so they are without excuse. ... knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.”

Rom. 2:14–16 the *sensus divinitatis*

“When the Gentiles, which have not the law, do by nature the things contained in the law, these, not having the law, are a law unto themselves, which show the works of the law written in their hearts, their conscience also bearing witness and their thoughts the mean while accusing or else excusing one another; in the day when God shall judge the secrets of man by Jesus Christ according to my gospel.”

Freud replaces biblical identity with sexual orientation identity Level #1

“The concept of sexual orientation was first used by Freud, and its effect, if not intent, was to **radically resituate sexuality from its biblical/creational context to something completely new: the foundational drive that determines and defines human identity** ... By defining humanity according to sexual desires ... Freud was—intentionally or not—suppressing the biblical category of being made in God’s image, male and female, and replacing it with the psychoanalytic category of sexual identity.”

Freud replaces biblical identity with sexual orientation identity

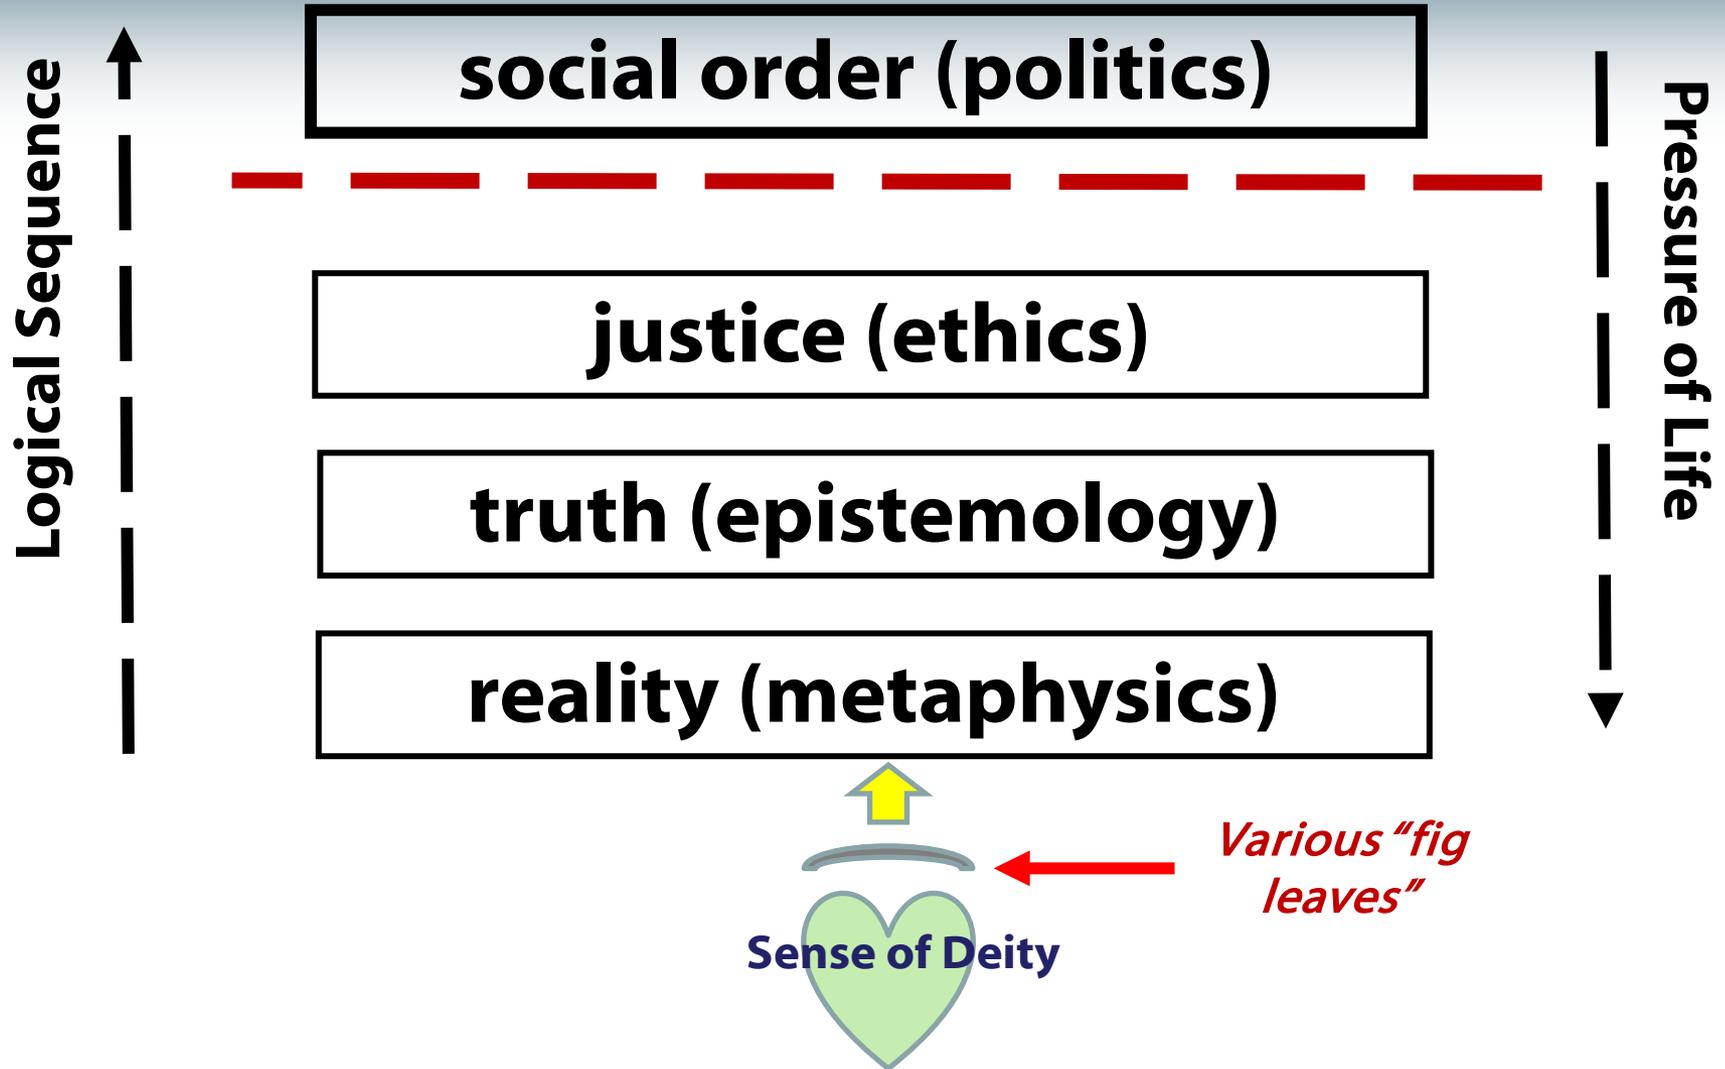

“Freud did not come out of nowhere ... He was a product of German Romanticism [in the nineteenth century that believed] you know truth through the lens of your personal experience, and that **no overriding or objective opposition can challenge the primal wisdom of someone’s subjective frame of intelligibility** ... Personal feelings and experiences are the most reliable measure and means of discerning truth.”
